820 ILCS 105/4

from Ch. 48, par. 1004

Amends the Minimum Wage Law. Increases the minimum wage from \$8.25 to \$9.00 beginning July 1, 2015 and increases it by \$0.50 each July 1 until July 1, 2019, at which point the minimum wage will be \$11.00. Provides that the establishment of a minimum wage that employers must pay their employees is an exclusive power and function of the State and is a denial and limitation of the home rule powers and functions, except that the limitation on home rule powers does not apply to a specified ordinance adopted by the City Council of City of Chicago. Amends the Illinois Income Tax Act. Creates a credit against the withholding tax liability of employers with fewer than 50 employees, calculated based on the increase in the minimum wage. Effective immediately.

820 ILCS 175/95

Amends the Day and Temporary Labor Services Act. In the Section containing legislative findings, adds a finding that temporary laborers are vulnerable to discriminatory practices. Defines "day or temporary labor applicant". In a Section concerning recordkeeping, provides that the day and temporary labor service agency shall keep a record of the race, ethnicity, and gender of each day or temporary laborer or day or temporary labor applicant, as provided by the person who requests employment with or is contracted by the day and temporary labor service agency (instead of "the race and gender of each day or temporary laborer sent by the day and temporary labor service agency"). Provides that the day and temporary labor service agency shall provide each day or temporary labor applicant with and retain a copy of a written notice signed by an employee of the day and temporary labor agency and specifying the date, time, and location the applicant requested employment. Provides that at the time of annual registration, the day and temporary labor service agency shall submit to the Department of Labor, on a form created by the Department, a report containing the information required by the new provisions, grouped by branch office, in the aggregate for all day or temporary laborers assigned within this State in the prior year. Provides that in the case of a health and safety or notice violation, a private right of action exists for compensatory damages and an amount between \$50 and \$500 for each violation (instead of "up to \$500 for the violation"). Makes corresponding changes.

Senate Floor Amendment No. 1

Removes changes from the Section concerning legislative findings. Relocates certain provisions of the introduced bill. Provides that the records shall be open to inspection by the Department of Human Rights. House Committee Amendment No. 2

Provides that a day and temporary labor service agency shall keep records with respect to each person who applies in person to become a day or temporary laborer rather than with respect to each person.

25 ILCS 5/3 from Ch. 63, par. 3

Amends the General Assembly Organization Act. Makes a technical change in a Section concerning the deposit of books, bills, documents, and papers with the Secretary of State.

Senate Floor Amendment No. 1

Deletes reference to:

25 ILCS 5/3

Adds reference to:

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In a provision concerning eligibility for child care benefits under the Department of Human Services' child care assistance program, requires the State to serve all children who fall within the eligibility criteria established by the Department regarding income eligibility and meet the required work or school activity. Deletes a provision that (1) authorizes the Department of Human Services to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that paid child care benefits do not exceed the amounts appropriated for those child care benefits and (2) permits such changes to be accomplished by emergency rule. Effective immediately.

Fiscal Note (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that the Department of Human Services shall provide specified child care services (rather than providing those services to the extent resources permit). Adds, to the categories of families to which the Department of Human Services shall provide child care services, families that are income-eligible for child care assistance, are not recipients of TANF, and need child care assistance to participate in education and training activities. Provides that the eligibility requirements for child care assistance services shall be no more restrictive than the eligibility requirements in effect on June 30, 2015. Provides that the Department shall not condition eligibility for child care assistance services upon cooperation in establishing paternity of a child or cooperation with child support collection or enforcement for a child. Provides that, until the Department of Human Services establishes a new co-payment scale by rule, co-payments shall be equal to those in effect on June 30, 2015. Provides that co-payments for child care services may not be increased more than once every 6 months and may not be increased at a rate that exceeds the percentage increase in the Consumer Price Index for all Urban Consumers during the prior calendar year or 5%, whichever is less. Provides that co-payments shall not exceed 10% of family income. Provides that the Department may not adopt emergency rules relating to child care assistance services provided under specified provisions of the Code. Deletes language regarding: an income threshold for FY2007; a test program for certain families to participate in education and training activities; development of a plan to revise the child care assistance program's co-payment scale by February 1, 2008; and authorization to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or other actions to ensure that child care benefits do not exceed the amounts appropriated for those benefits. Makes other changes. Effective immediately.

Fiscal Note (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Human Services)

Fiscal Impact Supplement for SB 580 (H-AM 1): The Direct Service Professional (DSP) rate increase to \$15/hour will cost the State an estimated annual increase of \$330M; (1) The current CILA rate model includes \$10.71/hour for DSP wage rates. The proposed legislation would increase the DSP rates by 40.1%, increasing from \$10.71 to \$15.00. ICF/ DD DSP current wage is \$11.05/hour, an increase to \$15 would be a 35.7% cost to the program liability; (2) The legislation does not only impact DSP, also requires commensurate rate increases across all staffing levels within the affected categories. As a result, all Community Integrated Living Arrangements (CILA) and Developmental Training (DT) staffing categories would increase by 40.1% above current rates. Categories impacted by the proposed rate increase include DSP, Supervisors, Qualified Intellectual Disabilities Professional Course Coordinator (QIDP), Licensed Practical Nurses (LPN), and registered Nurses (RN).

105 ILCS 5/2-3.163 new

Amends the School Code. Requires the State Board of Education to annually confer with the Illinois Community College Board to: (i) identify industries and occupations within this State that face workforce shortages; (ii) notify school districts of these identified industries and occupations; and (iii) approve industry-recognized certification programs designed to mitigate workforce shortages. Provides that beginning with the 2016-2017 school year, the State Board of Education shall annually award incentive grants to school districts for each pupil in the school district who obtained a diploma if the school district has an industry-recognized certification program and the pupil successfully completed the program. Further provides that if the funds appropriated in any fiscal year are insufficient to pay the full amount of the incentive grant, the State Board of Education shall prorate the amount of its payments among school districts eligible for an incentive grant. Effective July 1, 2016.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Makes the State Board of Education's duties subject to a separate appropriation. Requires the State Board to annually confer and reach agreement with the Illinois Community College Board and the Department of Employment Security (instead of just conferring with the Illinois Community College Board) to identify industries and occupations within this State that face workforce shortages or shortages of adequately trained, entry-level workers. Subject to a separate appropriation, requires the Illinois Community College Board to (i) annually confer and reach agreement with the State Board and the Department of Employment Security to identify industries and occupations within this State that face workforce shortages or shortages of adequately trained, entry-level workers; (ii) annually notify community college districts of the identified industries and occupations and make this information available on its Internet website; and (iii) approve industry-recognized certification programs designed to mitigate workforce shortages in any of the industries or occupations identified. Makes changes concerning the award of incentive grants, including providing for the award of incentive grants to community college districts (not just school districts). Effective July 1, 2016.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that prior approval by the Department of Healthcare and Family Services to administer to a recipient of medical assistance any interferon-free therapy for the treatment of the hepatitis C virus shall be limited to certain criteria, including that: (i) the recipient must be 18 years of age; (ii) the recipient must have a diagnosis of chronic hepatitis C infection, genotype 1, 2, 3, or 4, confirmed by stage 2 fibrosis; (iii) the recipient must not have end stage renal disease requiring dialysis; and (iv) the recipient may not have abused a controlled substance within the past 6 months. Provides that the Department may not use certain criteria as a basis for requiring prior approval to administer to a recipient of medical assistance any interferon-free therapy for the treatment of the hepatitis C virus, including: (a) any evidence or known diagnosis of malignancy of any body organ; (b) the recipient's mental capacity or any determination related to the recipient's ability to make appropriate decisions about the interferon-free therapy treatment or to comply with related instructions; and (c) the fact that the recipient was previously administered an interferon-free therapy for the treatment of the hepatitis C virus. Contains provisions concerning persons authorized to prescribe an interferon-free therapy for the treatment of the hepatitis C virus to a recipient of medical assistance; the submission of lab results; an appeals process; and payments to managed care entities for any interferon-free therapy for the treatment of the hepatitis C virus that is prescribed to a recipient of medical assistance. Effective immediately.

Senate Floor Amendment No. 1

In the list of persons authorized to prescribe any interferon-free therapy for the treatment of the hepatitis C virus to a recipient of medical assistance, changes the list of authorized persons to include "any physician licensed to practice medicine in all its branches with a current license who has received a written consultation report" from a board-certified gastroenterologist or specialist in a relevant sub-specialty or from an infectious disease specialist (rather than any physician holding a current unrestricted license to practice medicine who, within 6 months prior to submitting a prior approval request as prescribed by the Department, has (i) completed a course in Illinois with a 3-year certification period that is provided by a program which aims to build the healthcare system's capacity to diagnose and cure persons with the hepatitis C virus or (ii) received a written consultation report from a board-certified gastroenterologist or specialist in a relevant sub-specialty or from an infectious disease specialist). Provides that a formal request for prior approval to administer to a medical assistance recipient any interferon-free therapy for the treatment of the hepatitis C virus shall not be submitted to the Department without a written consultation report (rather than a formal request for prior approval to administer to a medical assistance recipient any interferon-free therapy for the treatment of the hepatitis C virus shall not be submitted before the Department receives either documentation that the physician has satisfied the 3-year certification period of an eligible program or a written consultation report).

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

Amends the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. In provisions that provide for increased penalties for retailers that do not have training programs, provides that those training programs may be conducted electronically. Provides that, if a retailer has a training program in place prior to the effective date of the amendatory Act, has a training program approved by another state, or follows the guidelines set forth by the federal Food and Drug Administration, then that training program shall be deemed to meet the minimum standards in this State. Effective January 1, 2016.

35 ILCS 143/10-35

Replaces everything after the enacting clause. Amends the Cigarette Tax Act, the Tobacco Products Tax Act of 1995, and the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. In provisions concerning training programs conducted by retailers to facilitate compliance with minimum-age tobacco laws, provides that the training may be conducted electronically. Provides that each employee who completes the training program shall sign a form attesting that the employee has received and completed tobacco training. Removes a requirement that the training program must explain the penalties that a clerk and retailer are subject to for violations of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. Provides that sales invoices issued by licensed distributors to retailers are not required to contain the distributor's Tobacco Products License number if the distributor has received a waiver from the Department of Revenue. Contains provisions concerning rulemaking.

House Committee Amendment No. 1

In the Tobacco Products Tax Act of 1995, replaces certain references to "cigarettes" with "little cigars or other tobacco tax products". Makes changes concerning the Department of Revenue's rulemaking authority with respect to out-of-State records.

Amends the University of Illinois Act, Southern Illinois University Management Act, Chicago State University Law, Eastern Illinois University Law, Governors State University Law, Illinois State University Law, Northeastern Illinois University Law, Northern Illinois University Law, and Western Illinois University Law. Provides that notwithstanding any other provision of law to the contrary, a student who meets the requisite requirements concerning being deemed an Illinois resident for tuition purposes is eligible to apply or receive consideration for any student aid or benefit funded or administered by the State, State agencies, public institutions, or the university, including scholarships, grants, awards, stipends, room and board, tuition waivers, or other financial or in-kind assistance, but excluding Monetary Award Program grants.

Senate Committee Amendment No. 1

Provides that the amendatory language applies only to students who meet certain requirements for being a resident of Illinois but are not necessarily a citizen or permanent resident of the United States.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Correctional Note (Dept of Corrections)

SB 2196 has no fiscal or population impact on the Department of Corrections.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

Pension Note (Government Forecasting & Accountability)

SB 2196 will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

SB 2196 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (IL Student Assistance Commission)

The bill could have a small impact on the Illinois Veteran Grant (IVG) program. A federal pilot program has allowed some people with Deferred Action for Childhood Arrivals (DACA) status to enlist in the U.S. military. The Illinois Student Assistance Commission does not have information on how many, if any, Illinois residents have taken advantage of this option, but if so, and if SB 2196 were approved, these undocumented individuals might thereafter meet the requirements to qualify for IVG. If so, there could be a small increase in costs borne by public universities since they are not currently reimbursed for the tuition and mandatory fees waived under IVG. The total impact from this change on public universities, if any, would be expected to be small.

Balanced Budget Note (Office of Management and Budget)

The bill does not have an impact on a balanced budget based on the assumption that there will be no changes to the current state funding levels.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

775 ILCS 5/7-109.1 from Ch. 68, par. 7-109.1

Amends the Illinois Human Rights Act. Provides that the Department of Human Rights shall administratively close specified types of charges that are pending before the Department if the issues that are the basis of the charge are being litigated in court or another administrative forum. Corrects a grammatical error.

Senate Committee Amendment No. 1

Deletes the provision that the Department of Human Rights shall administratively close specified types of charges that are pending before the Department if the issues that are the basis of the charge are being litigated in court or another administrative forum. Provides instead that for specified types of charges pending before the Department, if the charging party has initiated litigation in a State or federal court or an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative proceeding would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and administratively close the pending charge. Provides that the Department may continue to investigate an allegation in a charge that is unique to the Act or otherwise could not have been included in the litigation or administrative proceeding. Provides that for charges relating to real estate transactions, the Department may administratively close a charge pending before the Department if the issues that are the basis of the charge are being litigated in a State or federal court proceeding.

Senate Floor Amendment No. 2

775 ILCS 5/7A-102 from Ch. 68, par. 7A-102

Adds reference to:

775 ILCS 5/8-103 from Ch. 68, par. 8-103

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that for specified types of charges pending before the Department of Human Rights, if the charging party has initiated litigation for the purpose of seeking final relief in a State or federal court or before an administrative law judge or hearing officer in an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative hearing would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and dismiss the pending charge by order of the Director, who shall provide the complainant notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. Provides that the Director shall also provide the complainant notice of his or her right to seek review of the dismissal order before the Human Rights Commission. Provides that any review by the Commission of the dismissal shall be limited to the question of whether the charge was properly dismissed under the new provisions. Provides that the Department may continue to investigate an allegation in a charge that is unique to the Act or otherwise could not have been included in the litigation or administrative proceeding. Provides that for charges relating to real estate transactions, the Department may administratively close a charge pending before the Department if the issues that are the basis of the charge are being litigated in a State or federal court proceeding. Deletes language providing that the Department shall stay any administrative proceedings after the filing of a civil action by or on behalf of the aggrieved party under any federal or State law seeking relief with respect to the alleged civil rights violation. Makes other changes.

Senate Floor Amendment No. 3

Provides that the Director shall provide the charging party (instead of "complainant") notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. Provides that the Director shall also provide the charging party (instead of "complainant") notice of his or her right to seek review of the dismissal order before the Human Rights Commission. Deletes language providing that requests for review of dismissals ordered pursuant to the new provisions shall have priority over all other requests for review and shall be resolved as quickly as possible.

SB 03032 (CONTINUED)

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Permits the Department of Children and Family Services to establish in the Southern Region of the State, as designated by the Department of Children and Family Services, a special Child Death Investigation Task Force to develop and implement a plan for: (i) the investigation of sudden, unexpected, or unexplained deaths of children under 18 years of age occurring within that region and (ii) the investigation of missing and runaway children and children who are victims of sex trafficking. Requires the plan to include a protocol to be followed and to include provisions for local or State law enforcement agencies, hospitals, or coroners to promptly notify the Task Force of a death or serious life-threatening injury to a child, and for the Task Force to review the death and submit a report containing findings and recommendations to certain persons and administrative bodies including the State Representative and State Senator in whose legislative districts the case arose. Requires the Task Force to submit a report on July 1 of each year to the Director of Children and Family Services, the General Assembly, and the Governor summarizing the results of the program together with any recommendations for statewide implementation of a protocol for the investigation of all sudden, unexpected, or unexplained child deaths and for the investigation of all cases involving missing and runaway children and children who are victims of sex trafficking. Amends the Child Death Review Team Act. Creates the Child Death Review Team Transfer Task Force within the Department of Children and Family Services to develop an implementation plan to effectuate the transfer of the administration of all child death review teams from the Department of Children and Family Services to the Department of Public Health. Provides that the implementation plan shall provide for the complete transfer of all child death review teams to the Department of Public Health by July 1, 2018. Contains provisions concerning the composition of the Task Force and the date upon which the Task Force is abolished. Repeals a provision permitting the Child Death Review Teams Executive Council to establish an 18-month pilot program in the Southern Region of the State, as designated by the Department of Children and Family Services, under which a special Child Death Investigation Task Force will be created to develop and implement a plan for the investigation of sudden, unexpected, or unexplained deaths of children under 18 years of age occurring within that region.

Amends the Property Tax Code. In a Section granting a natural disaster homestead exemption, removes language providing that the square footage of the rebuilt residential structure may not be more than 110% of the square footage of the original residential structure as it existed immediately prior to the natural disaster. Proposes to amend the Legislature Article of the Illinois Constitution concerning the decennial redistricting of Legislative and Representative Districts. Provides that the Senate, by resolution, instead of "the General Assembly by law", shall divide the Legislative Districts into 3 groups for the determination of terms of office. Eliminates the requirement that Legislative Districts be divided into 2 Representative Districts. Provides criteria for creating districts. Provides for the General Assembly to redistrict Legislative and Representative Districts by law by June 20. If that fails, provides for the Senate to redistrict Legislative Districts and the House to redistrict Representative Districts, each by resolution adopted by three-fifths of the members elected. If no resolution is adopted by July 20, provides for a Senate or House Redistricting Commission to redistrict by August 20. If that fails, provides for a Special Master. If that fails or a bill, resolution, or plan is invalidated, the General Assembly may redistrict by law. Requires hearings and allows for the public to submit plans. Further proposes to amend the Legislature Article of the Illinois Constitution concerning the decennial redistricting of Congressional Districts. Provides criteria for creating districts. Provides for the General Assembly to redistrict Congressional Districts by law by June 20. If that fails, provides for a Special Master. If that fails or a bill or plan is invalidated, the General Assembly may redistrict by law. Requires hearings and allows for the public to submit plans. Effective upon being declared adopted.
